Visit **The Hunger Site** (www.the-hungersite.com/home) **daily!** Click the **“Give Free Food” button**, and (at no cost to you) corporate site sponsors donate funds for the purchase and distribution of staple foods to those in need. In 2001, daily “clicks” by people like us generated **\$900,000 to frontline hunger relief organizations** working worldwide to provide food and hope to the hungry. That was over 1 million pounds of food in a world where someone dies of hunger every 3.6 seconds.
