Thursday, September 22 is Community Spirit Night at Chick-Fil-A in Carrollton. The Ferst Foundation will receive 10% of all sales for which Spirit Night coupons have been presented. Various groups will distribute coupons in advance. There will be a Ferst Foundation information booth inside the restaurant.

## ***Bridge-Salad Luncheon***

Our annual all-in-one fundraiser is set for Tuesday, October 11, in the First United Methodist Church Fellowship Hall. The event includes a salad buffet and silent auction, plus card tables and snacks for bridge players; and this year Home Life will offer a salad recipe booklet for sale with profits designated for the Ferst Foundation.

This is our club's major fundraiser and every member's help is needed. Each person is asked to prepare two twelve-serving salads, one in a pretty container for the serving table and one in a covered utility container for carryout orders. Remember to put your name on both containers.

## ***5 to Thrive in Oct '05***

September and October are good months to recruit new members!

Use one of your Salad Luncheon tickets to introduce a prospect to our club's activities, or invite her to our September or October general meeting. The state campaign is for each club to add five new members in October. Contact **Gwyn Chesnut** if you would like a club brochure sent to a prospect. She will also have them at our general meetings and the salad luncheon. Let's get our five by October '05.

## ***Bridge-Salad Luncheon*** *(continued from page 1)*

There will be signup sheets at the September 28 meeting for sandwiches, beverages, bridge desserts and card tables.

While each department has a specific work assignment as shown below, everyone is encouraged to come as early and stay as late as possible to ensure that our guests enjoy the outing.

**Arts & Home Life** – Setup, starting at 8:00 a.m.

**Conservation & Education** – Serving & Takeouts, 11:00 a.m.-1:00 p.m.

**International & Public Affairs** – Cleanup, 1:00 p.m. until finished

Carrollton merchants have asked that we **do not park** in the lot off Tanner Street behind the cleaners and the Little Gem Barber Shop.

Extra tickets will be available at the September 28 meeting and also at the door on October 11.
