### ***President's Message***

I couldn't be more proud to head an organization than I am to serve as your president. I see so much accomplished in our community through your dedication, and the number of awards we received at district shows that our club is tops in all that we do. I am working on our handbook and hope to have it ready to print soon.

I want to give **special thanks** this month to:

**Helon Styles** and all the members who helped with our CLEW workshop this year. It was outstanding and the young people who attended will certainly be our leaders of tomorrow.

**Marjorie Hudson and the line dancers** for entertaining us at our last meeting.

**Martha Thurman** for working hard to bring in new members.

**Martha Ann Saunders** and the by-laws committee for really updating our by-laws. For example, if you have circumstances that don't allow you to be a full time member, you will be a supporting member now, not an inactive member—we want you involved too. The awards we give in December will relate more to our clubwork—gone are the awards to mother, grandmother, sweetheart, etc.

And thanks to all of you who work in each of our departments and committees. You are a great group of women.

*Gwyn*

### **Hello from Yokosuka Naval Base**

The coupons we clip for donation each month to COMFLEACT all go to U.S. sailors and their families stationed at Yokosuka Naval Base in Japan. Recently Gwyn received the following thank-you from the Base's Fleet and Family Support Center:

As you continue to clip those coupons, keep in mind that by cutting the margins away we can reduce shipping weight and save on postage. If you have time, it's very helpful to sort the coupons by value and attach a summary similar to this:

\$ 0.20	2	\$ 0.40
\$ 0.25	4	1.00
\$ 0.35	6	2.10
